REVOLUTIONARY TECHNOLOGY

Ma poi, cos'è twO?
Solo 2 millimetri di spessore. Una rivoluzione, uno stargate, un big bang. La linea sottilissima che separa il mondo com'è, dal luogo meraviglioso che sarà.

But What Is twO?
Only two millimetres of thickness. A revolution, a stargate, a big bang. The ultra-thin line that separates the world as it is from the wonderful place it will be.

Et puis, c'est quoi twO?
Rien que 2 millimètres d'épaisseur. Une révolution, une stargate, un big-bang. La très subtile frontière entre le monde tel qu'il est et l'endroit merveilleux qu'il deviendra.

Was ist twO eigentlich?
Nur 2 Millimeter Stärke. Eine Revolution, ein Stargate, ein Big Bang. Eine feine Linie, die die bisherige Welt von dem wunderbaren Ort trennt, der sie einmal sein wird.

Pero, ¿qué es twO?
Tan solo 2 milímetros de espesor. Una revolución, una puerta estelar, un big bang. La línea finísima que separa el mundo tal como es del lugar maravilloso que será.

THIS IS LAMINAM

Testimonial del design italiano nel mondo
Ad una chiara vocazione internazionale, corrisponde un radicato orgoglio italiano:
il design di tutti i nostri prodotti è esclusivamente Made in Italy.

Ambassador of Italian design to the world
A clear international engagement is backed by a deeply-rooted Italian pride: the design of all our products is solely Made in Italy.

Témoins du design italien dans le monde
Une vocation internationale claire, mais aussi une fierté italienne profondément enracinée : le design de tous nos produits est exclusivement Made in Italy.

Italienisches Design in der Welt
Unsere internationale Ausrichtung geht Hand in Hand mit einem tief verwurzelten italienischen Stolz: Alle Designprozesse erfolgen Made in Italy.

Embajador del diseño italiano en el mundo
Con una clara vocación internacional y un carácter orgullosamente italiano, el diseño de todos nuestros productos lleva exclusivamente el sello Made in Italy.
